## Important Information

- Price Groups A & B include two program cards, 9" plastic handles and adhesive strips. The Recycled Paper Program Fan does not come with handles and is printed on one sheet of paper.
- Fans arrive unassembled. Customer assembly is required.
- Indicate ink color and lettering style for the introduction.
- Ceremony and wedding party copy will be printed in the lettering style shown.
- Please state clearly if motif or monogram is desired. If none is indicated, none will be printed.
- Layout is available only as shown.
- Production time is five (5) working days.
- For assembled fans, allow two (2) additional working days.
- Due to the amount of copy on programs, orders should be typed. We cannot be responsible for errors on any order that is not typed.
- **Recycled Paper Fan Programs** - You may choose typestyle for names and copy on front only. Header on back will match name typestyle. Oyster paper stock contains fiber materials.
- **Peacock Fan Program** - Layout only as shown. Program copy will be printed in lettering style as shown only. You may choose the lettering style for the front panel and panel headers only.
- **Scalloped Fan Programs** - Indicate clearly on order blank if handle is desired. If none is indicated, fans will arrive with hole at bottom.

## Lettering Styles and Ink Colors

- You may choose any lettering style and ink color (unless otherwise stated) from any of the Carlson Craft albums.
- Refer to a Carlson Craft album for ribbon selection.

## Motifs and Monograms

- You may choose from the samples shown or from any of the Carlson Craft wedding albums.

# WEDDING fan programs

One source, endless possibilities.

## Recycled Paper Fan Program - 9" x 8 1/2"

### Price Group B (No handles included.)

The Recycled Paper Fan program contains up to 100% post-consumer recycled content. Two earth-friendly, heavy 100 lb papers available: Oyster and White. The heavy, 100 lb paper is used to eliminate the need for plastic fan handles. The fan consists of one single sheet printed with flat ink, front and back, to reduce paper consumption. Black soy ink is also available by indicating on order blank: Black Soy Ink. Layout only as shown.
